# Handhelds in the Consumer Market

PalmSource 99

- Customers:
  - Really like them
  - Finding more and more daily uses as apps appear
  - Looking for more uses/features/functionality
  - Starting to personalize devices
  - Segmenting into multiple markets, e.g.,
    - Women
    - Education
    - Kids
    - Communities of interest

# What Consumers Ask Themselves

PalmSource 99

- Can I afford it?
- Is it different from everyone else's?
- Is it me?!
- Does it let me do exactly what I like to do?
- Is it an easy, fun experience?
