Family of Products

PalmSource 99

Reason for Optimism #2: Platform Directions

PalmSource 99

Platform Directions: More Open and More Flexible

PalmSource 99

- Hardware abstraction
  - Processor and Microkernel independence
- Reference hardware designs
- Screen size
- Better audio
- Maintain compatibility

Maintain the Zen of Palm™

Platform Directions: More Wireless

PalmSource 99

- Promote global wireless technologies and standards
- Aggressively enter a wide range of wireless communicators and services
- Bring Palm user experience to the mobile phone market
- Bring meaningful Internet use to people

Platform Directions: More Modularity

PalmSource 99

- Core API
- Optional modules
- Allows for add-ons to be easily developed

Platform Directions: More Global

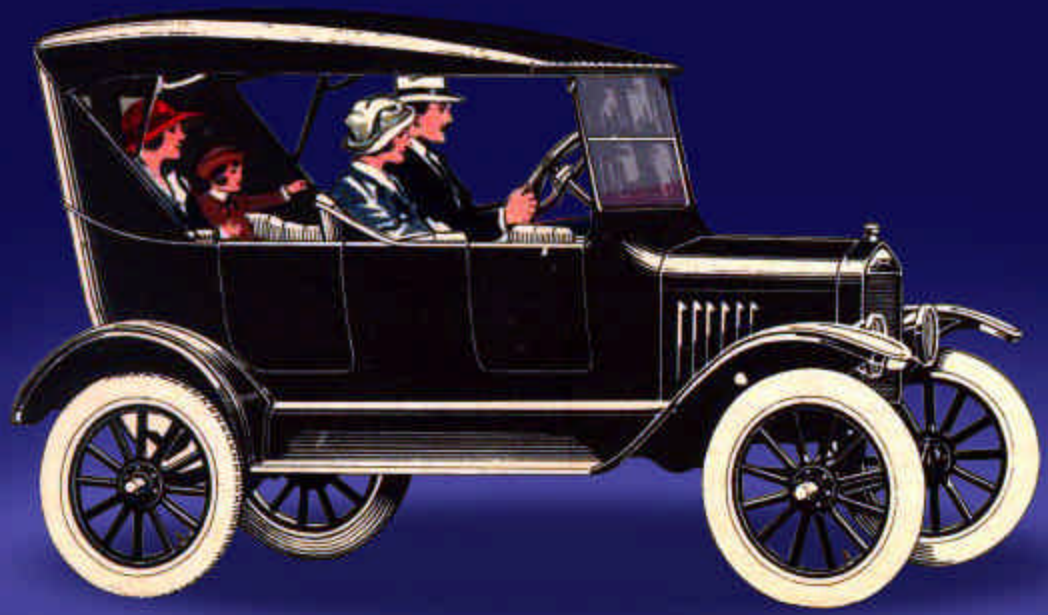

PalmSource 99

- Improving the OS for global markets
  - French, German, Spanish, Italian, Japanese, and English
  - Easier app localization
- Easier device localization

Reason for Optimism #3: New Market Opportunities

PalmSource 99

Enabling More and More of Us to Be Mobile

PalmSource 99

IDC Study Projecting:

- By 2003: 47.1M mobile US workers
- Away from the office at least 20% of the time
- Largest number in history
- 8.7% year-over-year growth

Consumer and Enterprise Markets

PalmSource 99

Consumer Enterprise

Consumer Market

PalmSource 99

- Defined by individual purchases
- Currently segmenting into multiple markets
- Major opportunities to develop new:
  - Applications
  - Add-ons
  - Form factors

Consumer Market Drivers

PalmSource 99

- Cost
- More application-specific uses
- More personalization through segmentation
- Enhanced wireless capabilities (e.g., voice)

Enterprise Market

PalmSource 99

- Defined by organizational purchase, deployment and support
- The Palm Computing® platform leads today
- Enormous upside potential

Businesses Want to…

PalmSource 99

- Increase revenue
- Decrease costs
- Make employees more productive
- Make customers happy
- Gain competitive advantage

IT Managers Fear…

PalmSource 99

- Baling wire integration with legacy systems
- Cyber-theft of corporate data
- Endless calls for support
- The wrong tools for the job
- Yet another device to manage

We Need to Deliver…

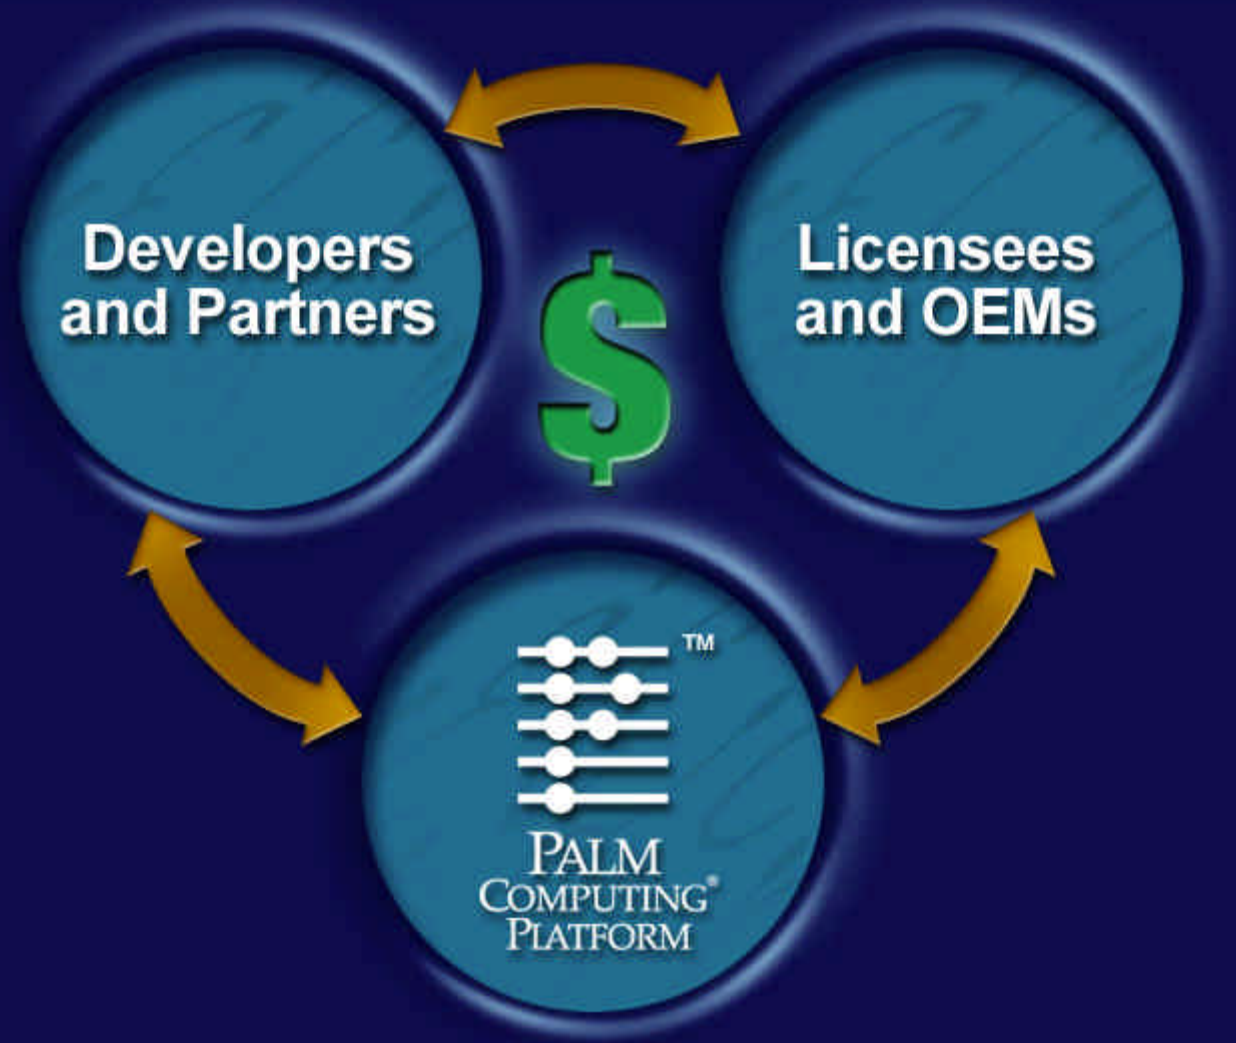

PalmSource 99

- Commitment to the Enterprise market
- Terrific enterprise tools
- World-class enterprise products and services
- More Enterprise Global Alliances in the Palm™ Economy

Critical Mass

Palm™ Economy: A World of Opportunity

Conference Structure

PalmSource 99

- Keynote Session
- Breakout Sessions
- Evening Event

Why Did the Chicken Cross the Road?

PalmSource 99

To get to the other side.

(It’s a mobile chicken)

How Many Mobile Professionals Does It Take to Change a Light Bulb?

PalmSource 99

Just one.

(But they’re never around to do it)

PalmSource 99

Helping People to Be Mobile

PalmSource 99

- Giving people what they want and need
- Allowing for ingenious technical innovation
- Opening business opportunities

One Independent Company—Three Independent Businesses

PalmSource 99

Palm™ Platform Business Mission

PalmSource 99

Create the Market for Mobile Information Appliances

Palm™ Platform Business Mission

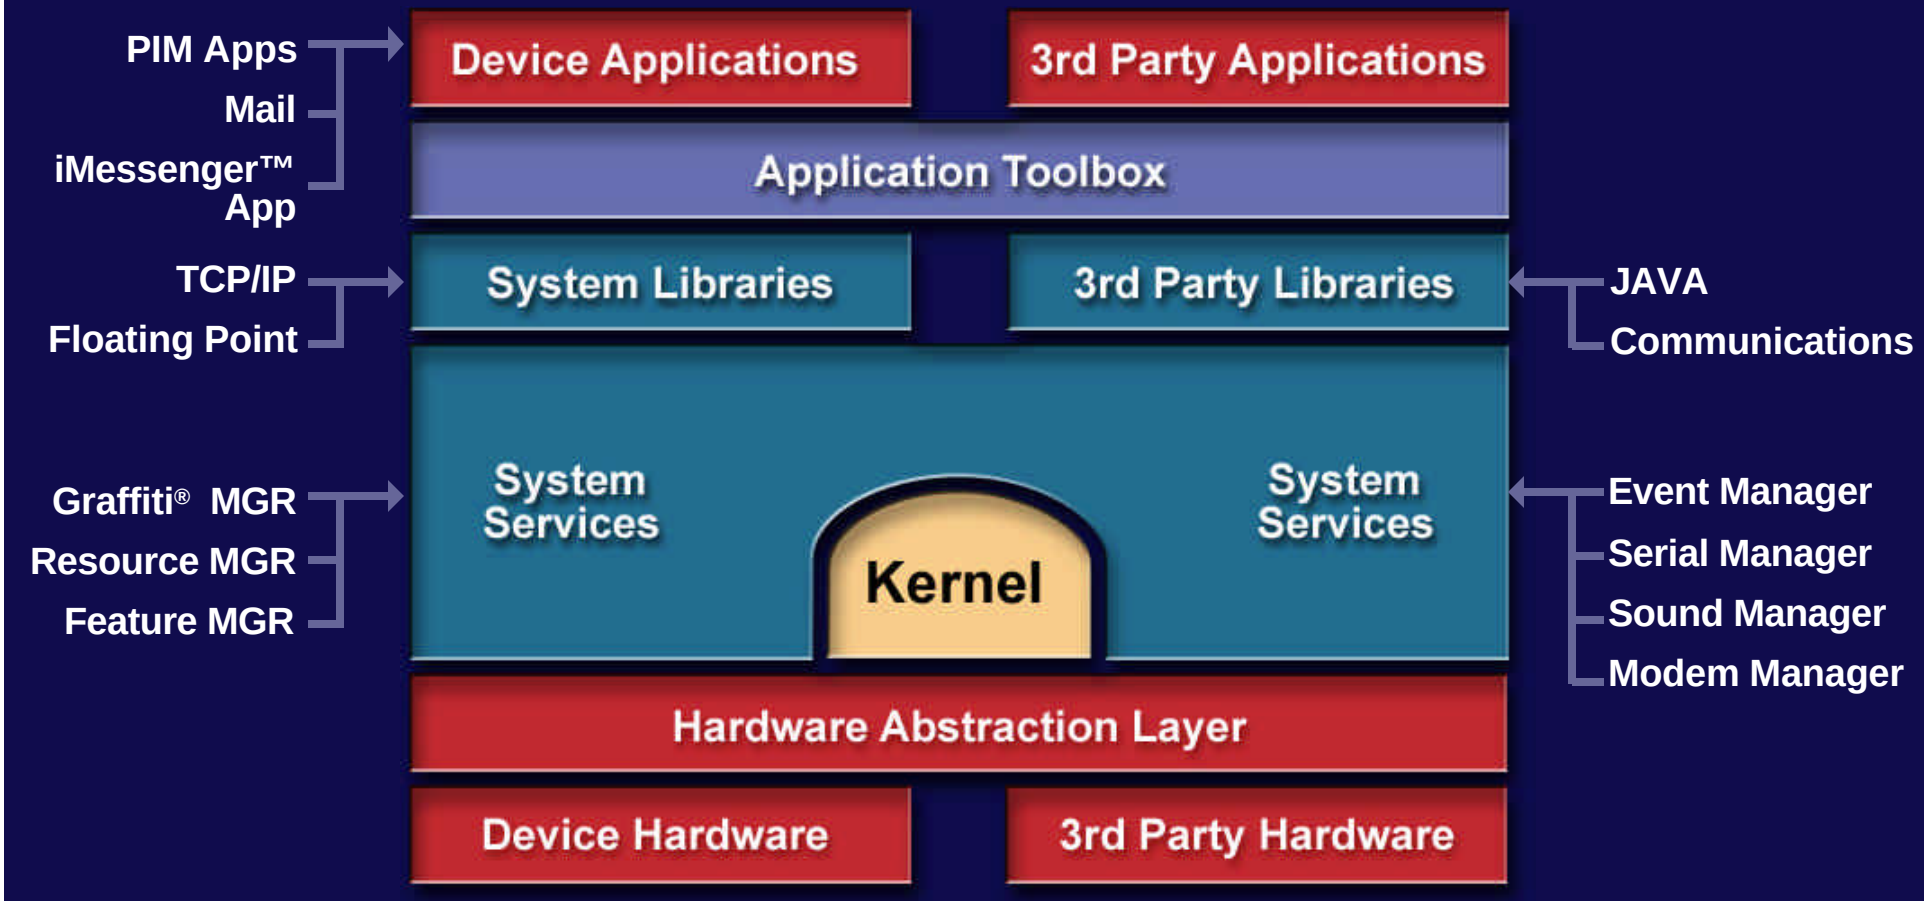

PalmSource 99

Be the Leading Platform for the Market

Helping to Build the Palm™ Economy

PalmSource 99

Helping to Build the Palm™ Economy

PalmSource 99

- Licensing the Palm OS® software and promoting diverse hardware devices
- Partnerships and alliances
- Platform brand marketing
- PalmOS.com
- Competitive research
- Tools development
- Developer technical and marketing support
- Training, conferences, books, support

Next Steps

PalmSource 99

1. Scale the platform organization
2. Increase platform marketing
3. Beef up international offerings
4. Expand tools offerings
5. Expand Development Services

Expanded Development Services

PalmSource 99

- Central source for developers
- Scaling the organization
- Partnerships, e.g. Developer.com
- Palm publishing
- Independent Palm Developers Association

Deep Thoughts While On Your Break

PalmSource 99

- Use the Conference well
- Ask a lot of questions
- Have fun
- Network
- Broaden your vision
- Be back on time

One Last Deep Thought

PalmSource 99

Why did the developer cross the road?
