Japan Is a Unique Market

PalmSource 99

- Japan's market is centered around two major cities: Tokyo (Kanto), Osaka(Kansai)
  - Other Major Markets (Nagoya, Fukuoka, Hiroshima, Sapporo)
- Unique Environment and Lifestyle
  - Space is at a premium (home, office, everywhere—size counts)
  - Mobility important (crowded subways, busses)
  - Light, thin, compact is best
- Language
  - English (will not reach majority)
  - Japanese (Hiragana, Katakana, Kanji)

Japan's Mobile Environment

PalmSource 99

The Palm Economy in Japan

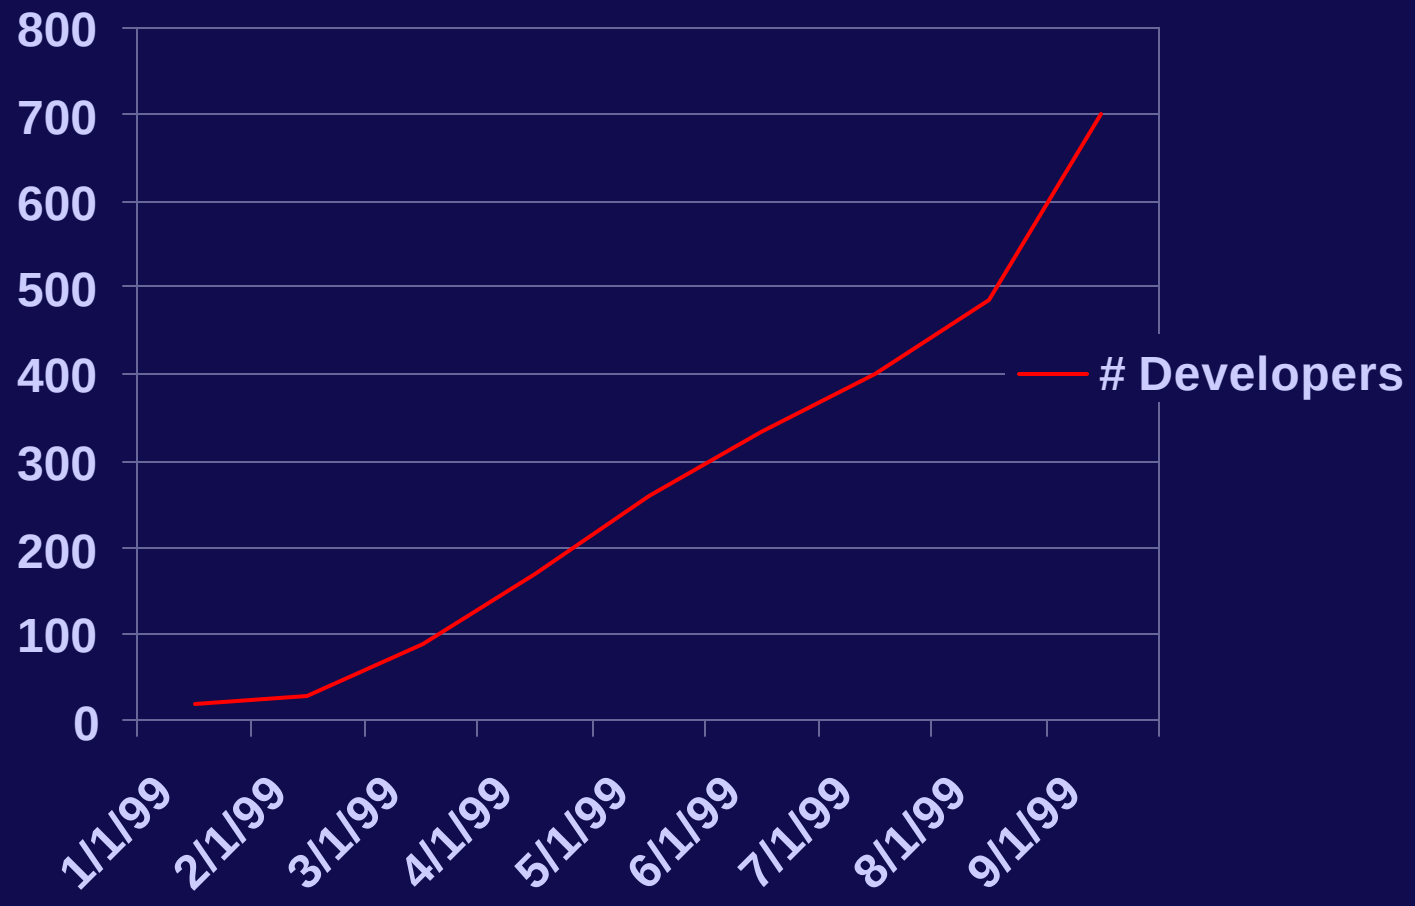

PalmSource 99

- International Palm OS® Developers
  1. Canada
  2. Germany
  3. UK
  4. Japan
  5. Australia
  6. France

- Of non-English-speaking countries, Japan is #2 in # of developers
