Palm OS® Emulator

Keith Rollin
Phantom Programmer

PalmSource
Conference 2000

About the Developer

- Develop and maintain Windows, Macintosh and Unix versions
- At Palm, Inc. 3 years
- At Apple Computer, Inc. 11 years
  - Newton Developer Tools: 4 years
  - Taligent: 3 years
  - Developer Support: 3 years

About the Tools Group

- Develop and maintain:
  - Palm OS® Emulator
  - SDK (headers, libraries, tools, sample code)
  - CDK
  - prc-tools (gcc, gdb, pilrc, build-prc, etc.)
  - PalmDebugger
  - Constructor
  - PalmRez
  - ROMBuilder
  - WCABuilder
  - Etc.

About the Emulator

- Hardware Emulator
  - CPU (68000 core)
  - Memory (ROM, RAM)
  - Hardware registers (DragonBall, LCD, etc.)
- Program Checker
  - Memory Access
  - Correct Behavior
- Testing
  - Gremlins
  - External Scripting

About the Emulator

- Cross-platform Project
  - Runs on Windows, Macintosh, and Unix
    - Mac: **41062 LOC (13.6%)**
    - Unix: **20141 LOC (6.7%)**
    - Windows: **19574 LOC (6.5%)**
    - Shared: **220350 LOC (73.2%)**
    - Total: **301127 LOC (100.0%)**
- Open Source Project
  - See _Contributing.txt
  - Changes can be in any form (.diff files, modified files, or complete archives)

Demo

- Launch and Create a New Session
- Use the Emulated Device
- Save and Reload
- Some Features
- About Box

Recent Additions (3.0a2 to 3.0a7)

- New Devices: TRGpro, Symbol 1700, Visor, Palm IIIc, Palm IIIx, Palm Vx, Palm VIIx, Palm m100
- New Unix ports: FreeBSD, BSD/OS 4.1, Debian, Solaris
- Tracer
- Sound Emulation
- Built-in Binder

Recent Additions (3.0a2 to 3.0a7)

- ROM MRU List
- Filtered Device Menu
- External Skins
- PC Checking
- Stack Overflow Checking

New Additions (for 3.0a8)

- VZ Support
- 16-bit Color Support
- Internal Changes for New Processors
- Internal Changes for New OSes (or none at all)
- More Faithful Hardware Emulation (BB ADC)
- Better Hardware Handshaking Support
- Workaround Palm OS® 3.3 Stack Overflow Bug

Future Additions

- Support for New Devices
- Support for New Operating Systems
- More Feature Parity
