What to Expect in 2002

- More Retail Opportunity
- Greater Need for Enterprise-Ready Apps
- Extension of International Presence
- Smart Phone Application Potential
- … And More Publishing Services

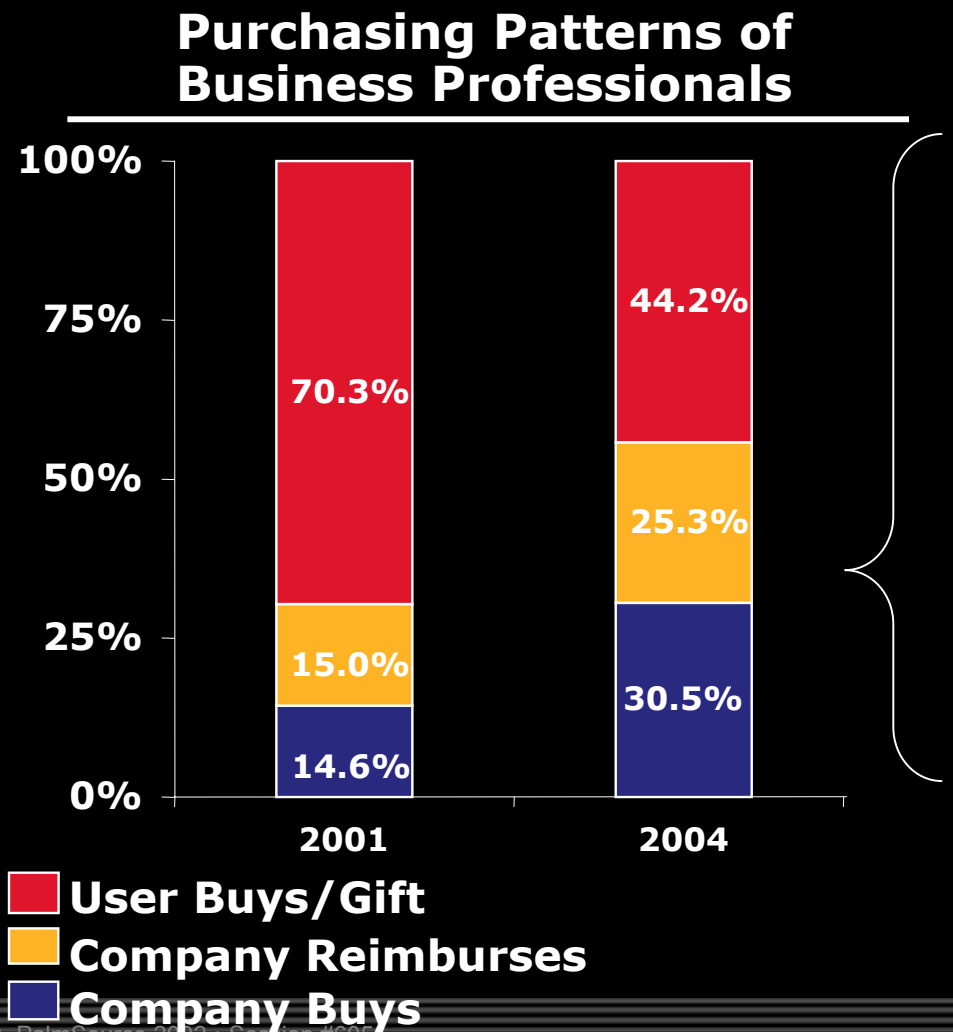

Handango

More Retail Opportunity

- Talk to us if you are considering retail sales
- As your publisher, we:
  - Develop packaging
  - Sell into retailers
  - Manage inventory, returns, customer service
- Terms are attractive and limit risk for all involved

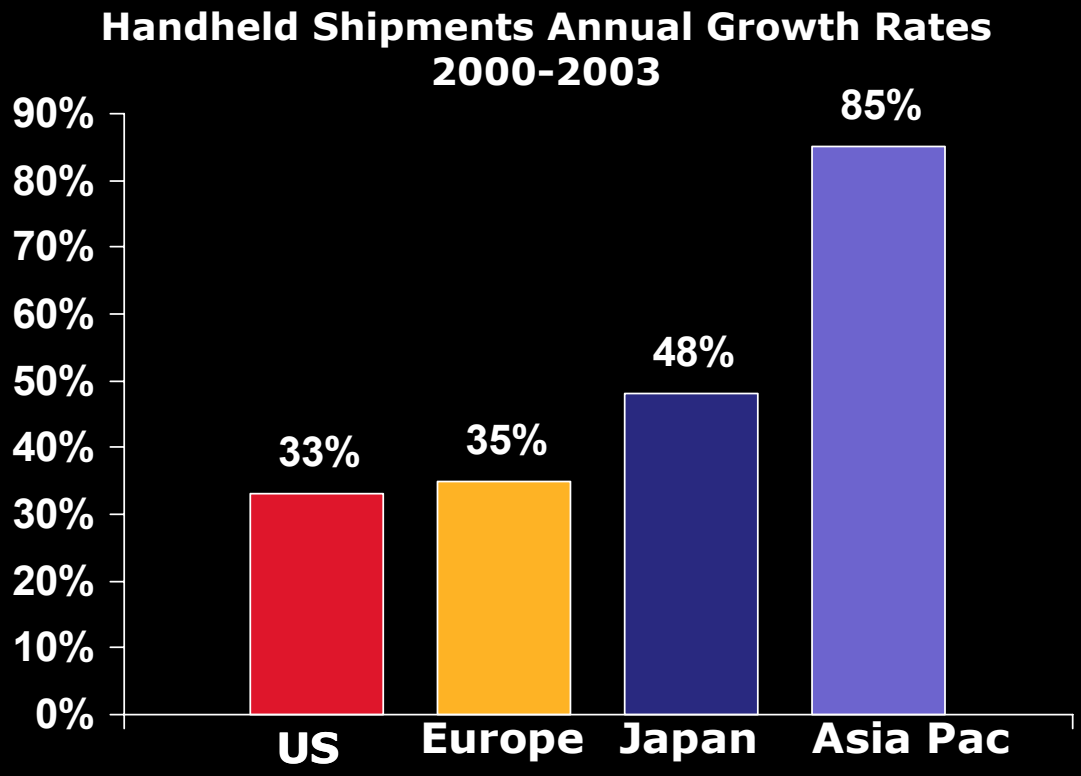

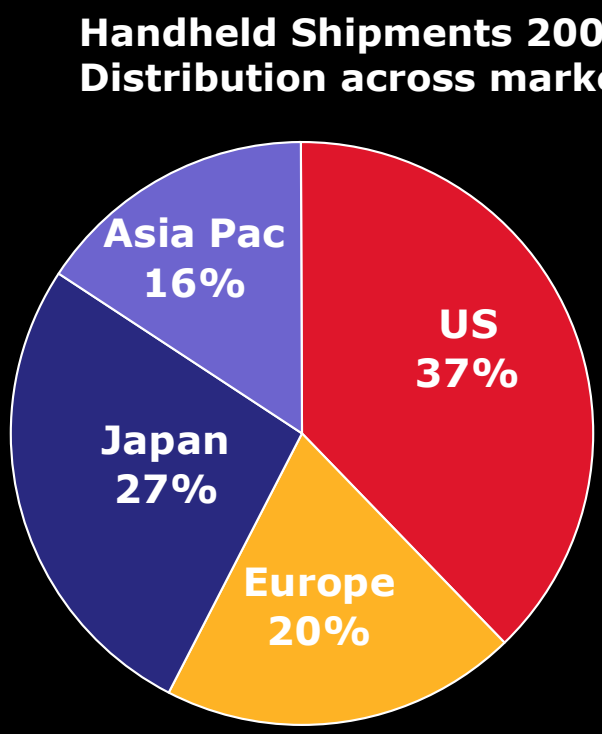

Enterprise Software Demand

- Develop Enterprise-Ready Applications
- Work with us to take those applications to market
  - Enterprise resellers
  - Direct Sales force

International Market Potential Growing

Looking for great sales growth?
Focus outside the US.

Handango
